FELLOWSHIP

More than just a potluck (although we do enjoy a good casserole), fellowship with likeminded believers is vitally important. Find your tribe at Harvest by serving in ministry or visiting Adult Classes. Think of it as a buffet. Try them all to find the best fit for your family.

MINISTRY

We believe Every Member at Harvest is a minister. However your heart beats to serve, we have an area that can use your time and talents. Fill out a quick form and we'll match you with a team who has been praying for your skills. On the job training provided.
