

MISSION

Acts 6:7 And the word of God increased; and the number of the disciples multiplied...greatly; and a great company...were obedient to the faith.

A select team from Wyldewood Baptist Church is coming to challenge us to develop our evangelism counterpart to discipleship. They will train us in how to have evangelistic small groups we are calling **Harvest Teams**.

The goal is always to keep the conversation going. Evangelism is the natural fruit over time. So let us place you in a small group of others to share ideas, opportunities and testimony to help you transition the lost from **friendship** with you, to **faith** in Christ, to **fellowship** with us. At **Mission Focus 2021** you will experience,

- A three night "install" of the Biblical Philosophy of Evangelism (**Sunday, 5:30P.M., Monday and Wednesday, 6:30P.M., December 27-28th and 30th**)
- A day for you to take our guests shopping and to lunch to show our love (Tuesday, December 29th 10:00A.M. to 1:00P.M., supported by our **FOCUS Fund** offering)
- A special training meeting Tuesday night if you are willing to lead or host an evangelistic small group.

You do not need to add evangelism to your life, you need to let it transform what is already there!

FOCUS

Start Bible Studies - Grow Existing Ministries - Plant Churches

Every-member ministry has always been the heart of the mission, but it is more critical now than ever as we seek to spread the gospel, and bring a surge of souls into Christ's kingdom. This **Mission Focus** will give us tools for our personal participation in the mission, meaning involvement in the immediate field in front of us.
