

STUDY GUIDE

FRIENDS—FAITH—FELLOWSHIP

Harvest Baptist Church

1. Do a cross-reference study of *Galatians 5:22-23*, finding at least two cross-references for each spiritual gift.

- What do verses 24-25 mean and how does it apply to you?
- So what does it mean to “walk in the Spirit?”

2. Do a cross-reference study of *1 Corinthians 15:1-4* which will answer the following questions (i.e., support your answers with other verses).

- What does it mean to stand in the gospel (v 1)?
- What does it mean to believe in vain (v 2)
- According to what verses did Christ die for our sins (v 3)?
- Where does it say he would rise the third day (v 4)?

3. Read *Isaiah 55:6-11* and write-out what this passage means for you as you witness for Jesus.

The following will be most helpful if done as part a Harvest Team evangelistic small group, where answers can be pooled.

4. Use a Bible concordance and study references to the blood of Christ in the New Testament. Summarize some of your findings here.

5. Write down all passages you can think of that might be useful when sharing the gospel with someone. What would be good for someone encountering conflicts?

Living in immorality?

Worshiping philosophy?

Involved in hypocrisy?

Trusting in liturgy (religious rites)?

Following money?

How about the person having relationship problems?

Or substance abuse problems?

Or financial problems?
