ROMANS 5:1-11: LIVING AN EXTRAORDINARY LIFE

Peace is a trinity just like God is. Three aspects make it complete: religious (God), public (society), and personal (self). The Christian life is extraordinary because we live at peace with God.

1. Peace with God is by faith, and through Christ (v 1). List two qualities we access by faith in Christ from each passage.

Rom 5:2
Eph 3:12

2. The extraordinary life of Christ guarantees us peace even when we face tribulation (vv 3-5). What reward do we get also? James 1:12

God loves us (v 5), the Holy Ghost is given to us (v 5), and Jesus died for us (v 6).

3. What three more things does the trinity do to enable us to live an extraordinary life?

2 Cor 1:21-22

Build-out your own study of all these separate items and you will begin to see what an extraordinary life we can really live!

4. The ordinary life is weak and ungodly (v 6). List some other characteristics of the ordinary life.

Eph 2:1-5; Titus 3:3-5

5. How are we saved from the ordinary by Christ's life (v 10)? The answers are found below, but take time to discuss or meditate over each of the three sets of verses.

John 6:40,57; 11:25-26; 14:19

2 Cor 4:10-11; Col 3:3-4

Heb 7:25; Rev 1:18
